MEMORANDUM FOR:

Chief of PSD/OMS

STAT

THROUGH:

Deputy Director for Administration
Director of Medical Services

FROM:

R. E. Hineman
Deputy Director for Science and Technology

SUBJECT:

PSD/OMS Assistance

1. I am currently looking into charges of racial discrimination in one of my offices and have been meeting with a representative minority group from that office to discuss several areas of concern. We may circulate a questionnaire to the workers at that office to gather more facts and to determine whether the discrimination is real or perceived. We also may carefully search our records to see if we can document any cases of discrimination. I am asking for any help you can provide to us in dealing with these procedures and with validating and analyzing the results.

2. My Executive Assistant [redacted] is working with the black representatives to help them define their areas of concern. He and the representative group are ready to discuss this issue with the appropriate experts in PSD/OMS.

3. We would appreciate whatever support you can provide. Please call Bob on [redacted] secure or me if you have any questions or want to discuss this further. Thank you.
